A By-law to Authorize the Expropriation of an Easement and Right-of-way for the Purpose of Constructing, Operating, and Maintaining Trunk Sewers

WHEREAS by supplementary Letters Patent of the Capital Regional District, dated December 28, 1967, the Capital Regional District was authorized and empowered, *inter alia*, to acquire, design, construct, operate, maintain, renew, and administer trunk sewers and sewage disposal facilities within the Capital Regional District as set out in the said supplementary Letters Patent:

And whereas, subject to the relevant provisions of the *Municipal Act*, in addition to any other powers of the Capital Regional District, the Capital Regional District has, for the purposes of exercising its powers, duties, and obligations, the full power to acquire, hold, and dispose of real and personal property:

And whereas, by section 791 of the *Municipal Act*, chapter 255, R.S.B.C. 1960, in addition to any other powers to acquire property which the regional board may exercise, the regional board, by its servants, may enter upon, break up, take, or enter into possession of and use any real or personal property within the regional district not publicly owned where necessary or convenient for any of the purposes of the regional district without the consent of the owners of the real or personal property, but subject to Division (4) of Part XII:

2. Any real property injuriously affected by the carrying-out of the construction, operation, or maintenance of the aforesaid sewer works or any of them, may be entered upon by workmen or employees of the Capital Regional District or by any contractor or agents employed by the Capital Regional District to carry out the works, and they and each of them are hereby authorized so to enter in order to execute such works of construction, maintenance, or repair, in mitigation of injury done or apprehended, or in mitigation of compensation claimable by reason of or through the carrying-out of the works authorized.

3. This by-law shall not come into force or effect until it has been published in *The British Columbia Gazette* and once in a newspaper circulating in the City of Victoria and a certified copy thereof has been filed in the Land Registry Office in the City of Victoria.

of                    19                    .

BETWEEN  
(hereinafter called the "Owner")

OF THE FIRST PART

AND  
CAPITAL REGIONAL DISTRICT, 524  
Yates Street, Victoria, B.C. V8W 1K8,  
(hereinafter called the "District")

OF THE SECOND PART

WITNESSETH THAT:

The Owner for

the receipt and sufficiency of which is hereby acknowledged, hereby grants in perpetuity to the District, the exclusive right and easement for the District, its servants, agents, and all others the licensees of the District,

- (a) to construct, entrench, operate, maintain, remove, and replace one or more systems of sanitary sewer pipes and all necessary appurtenances thereto in, under, and upon the land described in the schedule hereto and therein and hereinafter called the "right-of-way", for the conveyance of sewage;
- (b) to pass and repass over the right-of-way, and to clear, dig, remove, and backfill soil and make trenches on the right-of-way for any of the purposes aforesaid.

The Owner further grants to the District, its servants, agents, and all others the licensees of the District, a licence during the initial period of construction only to use the land described as the "Working-strip" in the schedule hereto as an additional working right-of-way to facilitate the District carrying out its work during the initial construction period.

The District covenants with the Owner that each time it disturbs the surface of any of the land in the exercise of any of the rights granted to it under this agreement it will restore the same as near as is reasonably possible to the condition thereof before such disturbance.

The regional district further covenants with the Owner that it will compensate the Owner for damage done to the buildings, crops, tile drains, fences, culverts, and other improvements and to any equipment or other chattels on the right-of-way by reason of the exercise or purported exercise of the rights hereinbefore granted save such as may have been made, placed, erected, or maintained by the Owner in contravention of the next succeeding paragraph of this agreement.

The Owner hereby covenants with the District

- (a) not to make, place, erect, or maintain, subsequent to the date hereof, any building, structure, excavation, pile of material or obstruction in, under, or upon the right-of-way without the written consent of the District first had and obtained;
- (b) not to do or knowingly permit to be done any act or thing which will interfere with or injure the said systems and, in particular, will not carry out any blasting on or adjacent to the right-of-way without the consent of the District, provided that such consent shall not be unreasonably withheld; and
- (c) not to substantially diminish the soil cover over any of the systems installed in the right-of-way and, in particular, without in any way limiting the generality of the foregoing, not to construct open drains or ditches along or across any of the systems installed in the right-of-way.

It is mutually agreed between the District and the Owner

- (a) that the right-of-way shall be construed as running with the land, that no part of the fee of the soil shall pass to or be vested in the District under or by these presents and that the Owner may use and enjoy the said land, subject only to the rights and restrictions herein provided;
- (b) that the expressions "District" and "Owner" herein contained shall be deemed to include the executors, administrators, successors, and assigns of such parties wherever the context so admits; and
- (c) wherever the singular and masculine are used in this agreement they shall be construed as meaning the plural or the feminine or the body corporate where the context or the parties hereto so require.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed as of the day and year first above written.
